Sometimes you need to pack duct tape in your kit but don't have room for a roll of Combat Medic Tape. No problem. H&H Medical has you covered.

Here is our Flat Folded Duct Tape. 2" wide by 100" long, this has been folded into a 6" long by 0.2" thick fold. The end is held together with a rubber band to protect against unfolding.

Simple to use and inexpensive, this is the right tool for the job! Well, if the job involves duct tape.
