The distinct colour of the Microflex® 93-852 hides stains and provides a contrasting backdrop for identifying lighter coloured materials. It offers exceptional tensile strength and flexibility allowing the hands to move freely and comfortably while the fully textured design and non foaming formula delivers a firm and consistent grip.

- Non sterile
- Powder-free
- Textured finish

Contain no natural rubber latex or powder to help protect wearers from skin allergies, skin irritation and dryness

Fully textured design and non foaming formula enable wearers to have a firm wet grip when handling.
