

SMART Mist MCI Bag

Red

Item No:	TR-00012
Manufacturer:	TSG Associates
Certificates:	N/A
Size:	50 x 40 cm
Color:	Red
Country of origin:	United Kingdom
NSN no:	N/A
Tariff:	30059010
Weight:	8 kg

The SmartTriage™ System has been successfully used by many agencies at multiple casualty events for over 25 years. It is the national triage system for the UK and Australia, has been adopted by seventeen US states, including various NATO members, and is the mandated system used by Médecins Sans Frontières. The triage system maximises the survival chances of casualties and minimises suffering.
