Color:	Green
Country of origin:	N/A
NSN no:	N/A
Tariff:	30059099
Weight:	6.36 kg

The PJ Sked is designed to do everything a standard Sked SK-200 will do. The only difference between the two is the standard Sked is 36 inches wide and the PJ Sked is 28 inches wide.

This allows for an 8 inch shorter pack and it makes it much easier to go through a door with it across your ruck.

Comes with Cobra Quick Release Buckles for faster and safer patient packaging.
